Maryland Global supports the university community in bringing the global dimensions of our strategic plan to life through the internationalization of learning, research, partnerships and risk management.

## Office of International Affairs

**Associate Vice President for International Affairs:** Ross Lewin, Ph.D.

The Office of International Affairs (OIA) connects the efforts of Education Abroad (EA), Global Learning Initiatives (GLI), International Student & Scholar Services (ISSS), International Risk Management and Global Partnerships. Together, we aim to catalyze global learning and research through partnerships with partners to advance the university community in service of the common good.
